

# Gradient & Batik Dyeing Workshop with Allyson Daley - Supply List

---

## Tools & Materials:

- 1 1/2 yds. PFD (prepared for dye) Kona Cotton or unbleached muslin that has been scoured (washed with detergent in hot water without fabric softener and dried in dryer without any dryer sheets.)
- 12 gallon-sized zip freezer bags or 10 quart-size plastic containers with sealable lids. (Dollar Store or recycled 32 oz yogurt containers will work. They will never again be used for food.)
- Rubber gloves with long cuffs
- Measuring cup and spoons (Dollar Store - they can not be used for food after this) Spoon should have Tbsp., tsp., 1/2 tsp. And 1/4 tsp. One 4-cup measuring cup with ounce markings will do.
- Old paint brushes to use with dye/wax 1/2" and 1" are good sizes.
- Dress for mess!

## Optional:

- Batik tools (tjanting) available on Amazon - We will have some on hand
