

# Batik Workshop with Andrea Huffman - Supply List

---

## Needed Supplies:

Large flat surface (such as corrugated cardboard or drawing board) covered with plastic OR canvas stretcher bars, back of a stretched canvas or large embroidery hoop or frame

## Suggested Supplies: not required items

- Stencils (instructor will have many available to share)
- Interesting flat shapes or objects, or objects with very tactile textures. (they should have weight and be able to lay flat, like a stencil)- silicone or plastic kitchen mats, textured tiles, woven or plastic baskets (they will get paint on them) Also- foam shapes and letters (the LAC can provide a lot of this stuff)
- Cookie cutters or similar shapes for stamping wax
- Students will receive 2 yards of white fabric. Students can bring more if they wish. Fabric should be pre-washed with mild soap in hot water and no fabric softener.
- Hair dryer with “cool” setting only if you have one!
